

Name: Council Meeting

Date: May 19th, 2025

Meeting Start: 5:04 PM

Location: Google Meets

Attendance: Frank, Jerry, Monyka, Rusty, Shelby, Sue, Zach

Financial Update- Sue

Current balance \$18,000. All of May bills are paid. Offerings have been down and will be relying more on our balance through the summer months.

Pastor Update-Rusty

Talking with people who have not been attending Sundays. Wants to revisit goals for the year. Have had a few request for Fry's cards for gas. Will need to look into purchasing some if we have funds available. Sue has 4 cards in possession, can get them to Rusty this week. Jerry makes a motion to spend \$100 for 4 more \$25 gift cards. Frank seconds, motion passes unanimously.

Father's Day

Will do root-beer like past years, but probably in cans due to budget and the UR Church coozies, as well as a donation of a Father's Day Compass for each dad being donated.

Music/Worship Update-Jerry

Musicians are out of town for summer. Jerry and Donna will be out of town for the next 2 weeks. First 3 songs will be the karaoke style we have previously done, Jill will sing the last song of the service. Will start the live stream after the 3rd song and will start with the readings.

Live Stream Camera Update-Zach

No new updates. Will be returning the camera purchased and will follow up with the council when there are new findings. Need to find something not too technical but something that also looks professional and clean. Zach has a few videos he needs to watch to do more research on products and programs.

T-Shirt

Monyka's neighbor has not returned messages. Zach will continue to research vendors. Monyka wants to see this order take place sooner than later since this has been talked about for over a month now and a design has been released. Zach can look and see if there is still a Facebook Poll option and will create a posting. Jerry will reach out to one of our emails we received advertising a free trail shirt.

Wish List

Sue's Welcome Desk was purchased. Music department is good on resources, minus the adding of cameras and that technology. Shelby's Wishlist item was the re-design of the t-shirts which has been completed, but we are just waiting on ordering shirts.

Rusty Comments

We need to spread the word better. Having more interactions with people on our social media. Believes series in messages could bring in more people. Rusty hates virtual meetings.

Next meeting: June 22nd, 2025; 11:30 AM; Location: In Person-UR Church

Official Meeting End: 6:06 PM

Future Agenda Items

BBQ

T-Shirt Order
